

Shelf Companies in the Czech Republic

Introduction

In whatever country or region you wish to do business, Vistra offers high-quality tailored services built on extensive local knowledge – freeing you to focus on your international expansion.

Our team serves a broad base of Clients which includes multinational corporations, property investments funds, private equity funds, and high net worth individuals.

Vistra Czech Republic

Vistra Czech Republic was established in 2011 in Prague.

The Polish mother company (Vistra Corporate Services Sp. z o.o.) pioneered shelf company services in Poland and has helped over 2,000 businesses enter the CEE region, many of whom retain the Vistra companies' services for company administration, management reporting, accounting, payroll and local compliance.

Shelf Companies

• Service

Vistra Czech services are designed from the ground up to suit the needs of today's international business community. We are innovative, proactive and a pair of safe hands.

• A Turnkey Solution

The process of company formation in the region can be a time consuming, frustrating and costly endeavor.

When compared to other options for company formation, our service can offer significant savings. Moreover, an investor can avoid unnecessary commitment while an acquisition, start up, or capital investment is under negotiation.

Vistra Czech Republic shelf companies have been carefully structured to facilitate a quick, efficient transfer of ownership and commencement to business activities.

Our solution meets a broad range of needs and is of particular value when the timing of market entry is critical, for example with company or real estate acquisitions.

• Shelf Companies

Vistra Czech Republic offers the following ready-made companies:

- New Limited Liability Shelf Companies (s.r.o.);
- New Joint-stock Shelf Companies (a.s.);
- New European Shelf Companies (SE).

• Post-transfer Service

Our corporate secretarial services team can provide after sale support to newly-purchased companies by preparing notifications or changes to the courts, company registers, banks and other reporting bodies.

Limited Liability Shelf Companies

• Sale of Ready-made Limited Liability Companies (LLC / s.r.o.)

This is the most commonly chosen form of conducting commercial activity in Czech and the CEE.

Our ready-made limited liability companies include:

- All required registrations (Trade license/Commercial register/Income tax registration);
- Share capital paid up and available on the shelf company's bank account on transfer;
- Broad objects of activity and flexible articles of incorporation of the shelf company;
- Company seat in central location in Prague;
- Active CZK bank account in a reputable bank (EUR/USD if required);
- Qualified management board;
- Current accounting records as well as complete tax and corporate documentation;

Joint-stock Shelf Companies

- Individualization of the shelf company according to Client's needs;
- Professional and comprehensive support for the Client during the transfer process;
- Unlimited warranties as to the quality of the shelf company provided in the share transfer agreement;
- Complete documentation of the shelf company from the moment of incorporation until the transfer.

● Sale of Ready-made Joint-stock Companies (J.S./a.s.)

Our ready-made joint-stock companies include:

- All required registrations (Trade license/Commercial register/Income tax registration);
- Share capital paid up and available on the company's bank account on transfer;
- Broad objects of activity and flexible statute;
- Company seat in central location in Prague;
- Active CZK bank account in a reputable bank (EUR/USD if required);
- Qualified management board;
- Qualified supervisory board;
- Current accounting records as well as complete tax and corporate documentation;
- Individualization of the company according to Client's needs;
- Professional and comprehensive support for the Client during the transfer process;
- Unlimited warranties as to the quality of the company provided in the share sale agreement;
- Complete documentation of the company from the moment of incorporation until the transfer.

European Shelf Companies

● Sale of Ready-made European Companies (SE)

European company is a public company registered in accordance with the company law of the European Union. Due to an option to register in any member state and more easily transfer to, or merge with companies in, other member states, the European companies are becoming a more popular company type.

Our ready-made European companies include:

- All required registrations (Trade license/Commercial register/Income tax registration);
- Share capital paid up and available on the company's bank account on transfer;
- Broad objects of activity and flexible statutes;
- Company seat in central location in Prague;
- Active EUR bank account in a reputable bank (CZK/USD if required);
- Qualified management board;
- Qualified supervisory board;
- Current accounting records as well as complete tax and corporate documentation;
- individualization of the company according to Client's needs;
- Professional and comprehensive support for the Client during the transfer process;
- Unlimited warranties as to the quality of the company provided in the share sale agreement;
- Complete documentation of the company from the moment of incorporation until the transfer.
