

# About Vistra Cyprus

## Introduction

Cyprus is the third-largest island in the Mediterranean and is strategically located at the crossroads of three continents (Europe, Africa and Asia).

Cyprus became a member state of the European Union on May 1, 2004. It is a democratic country with a liberal market economy and modern and efficient legal, tax and accounting services based on English practices.

Cyprus currently has double tax treaties with over 40 countries, bilateral investment agreements with several countries and an excellent tax regime, making Cyprus the go to place for both onshore and offshore investments.

## Vistra Cyprus

Our Cyprus office is located in Limassol, the second-largest city on the island. Limassol is located in the vicinity of the airports of Larnaca and Paphos and has an active harbour.

Our global team consists of 20 employees and understands that clients are varied and diverse; for that reason we take pride in a personal approach.

This high level of customer service is combined with the Vistra global network which enables our professionals to draw on the resources of strategically located offices.

We distinguish ourselves through our expertise and our vision that we should be adding value in fulfilling client needs.

## Services

Regulatory, fiscal and financial issues are constantly changing. Working in close cooperation with our clients' legal advisors and tax consultants, we set up their corporate structures and ensure that it remains in compliance with the latest requirements.

Besides assisting our clients and their advisors with tax planning and the corporate and financial structuring of their group, Vistra offers a full range of corporate services in Cyprus including:

- Incorporation of companies
- Management and domiciliation of companies
- Setting up of (discretionary) Trusts
- Acting as Trustee
- Fulfilment of all administrative formalities, bookkeeping and the preparation of financial statements
- Drafting and reviewing of corporate documents and agreements
- Active coordination between various involved parties and professionals, such as (tax) lawyers, notaries, banks and relevant governmental departments
- Preparation and executing board and member resolutions
- Maintenance of all corporate records
- Management of corporate correspondence
- Providing nominee shareholders
- Managing bank accounts
- Office services
