A background image showing two hands holding a glowing globe. The globe is surrounded by a network of white lines and circular icons containing human figures, symbolizing global connectivity and business expansion.

Helping clients  
to expand further.

## Vistra Alliance

Your company is doing well, and you are thinking about expanding into a new market. We can help you during every step of the expansion process.

### About Vistra

Ranked among the top three corporate service providers globally, Vistra is a versatile group of professionals, providing a uniquely broad range of services and solutions.

Our capabilities span across international incorporations to trust, fiduciary, private client services, and fund administration.

We employ over 4,000 professionals operating across 46 jurisdictions in over 80 cities throughout the Americas, Europe, Middle East, and Asia Pacific.

As a leading global player with expert industry knowledge and location specialists, Vistra has a deep understanding of the professional worlds of our clients, and a proven track record of offering highly versatile solutions, providing the people, processes, and products that help our clients get the most from their international business.

# Vistra Alliance

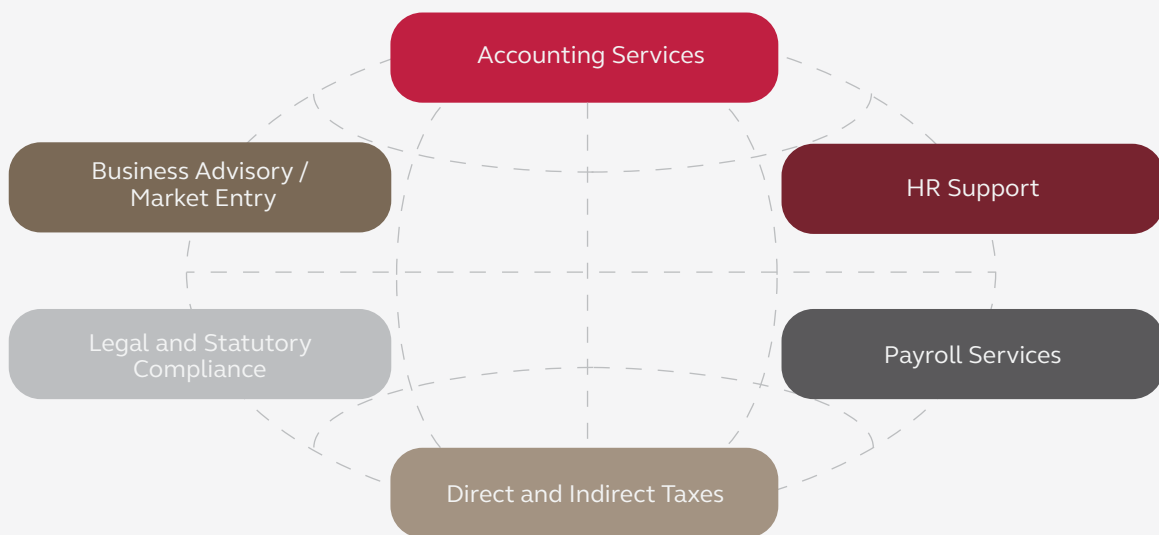

A growing part of Vistra’s business is assisting clients in establishing physical operations in other parts of the world. Clients seek help in setting up offices, obtaining the necessary licensing to operate in foreign markets and then providing ongoing services such as accounting, payroll, and legal compliance.

Vistra has over 1,300 specialists in more than 20 countries ready to help clients mitigate the risks of international expansion and protect client’s business; offering the assurance and peace of mind that they are in safe and capable hands and in a position to realise their businesses true potential.

To be able to help clients wherever they want to go, Vistra launched a unique global network of trusted Accounting and Professional firms from around the world, called Vistra Alliance, to support clients in key locations where Vistra does not have its own local office.

Vistra Alliance Members are providing the full range of International Expansion solutions, which makes us perfectly placed to partner with clients while their international growth in Europe, Asia and LATAM.

Professional services provided, but not limited to, include:

Via strategic partners we can also guide clients through employee mobility, international VAT, employee benefits, risk management, and data processing regulations.

We provide our client base, where requested, a single point of contact for all its global services needs together with predictable fixed fee billing from one entity for all services provided.
