

Projects and Outsourced Interim Staff in Poland

Introduction

In whatever country or region you want to do business, Vistra offers high-quality tailored services built on extensive local knowledge – freeing you to focus on international expansion.

Our team serves a broad base of Clients which includes multinational corporations, property investments funds, private equity funds and high net worth individuals.

Vistra Poland

Vistra Poland was established in 2004 in Warsaw. The company has grown to become the leading independent provider of trust, corporate, compliance and fund services in the Central and Eastern European region (CEE).

The company pioneered shelf company services in Poland and has helped over 2,000 businesses enter the CEE region, many of whom retain its services for company administration, management reporting, accounting, payroll and local compliance.

Projects and Outsourced Interim Staff

Accounting Projects

Thanks to its resources, know-how and experience, Vistra Poland provides a wide range of professional accounting solutions including:

- Reconciliation and clearing up of accounting records;
- Assisting with preparation for audits or due diligence;
- Assisting with preparation of documentation in advance of tax authority audits;
- Assisting with stocktaking;
- Preparation of statutory stand alone or consolidated financial statements;
- Assisting with liquidations: maintenance of accounting records, assistance with corrections to records, preparation of current or outstanding financial statements.

Outsourced Interim Staff

Vistra Poland has qualified professional accounting staff to cover a full range of interim positions in an accounting department, including Finance Director, Chief Accountants and independent accountants or assistants.

Seconded assignments can be tailored to meet Client's needs; full time, a few weeks, or ongoing support at critical periods such as month/year end compliance and reporting.

Corporate Secretarial Projects

As a part of the project work offered by Vistra Poland, we have experienced legal staff who can be deployed to provide paralegal support along with the Accounting Project team:

- Preparation and management of data rooms for due diligence purposes;
- Secondment of staff to Client teams for short-term corporate secretarial projects;
- Assisting with a company's liquidation process at every stage while closing any open issues.

Projects Completed/Case Studies

- Preparation of more than 30 statutory financial statements for a real estate company;
- Assisting with fixed asset' stocktaking, both goods in a warehouse for a trading company and property inventory for a real estate group;
- Preparation of documentation for a financial institution prior to due diligence;
- Correction of the accounting records, preparation of outstanding financial statements, assistance prior to a liquidation process until closing for a group of trading companies, withdrawing from the Polish market.

Core Services in Poland

In addition to Projects and Outsourced Interim Staff, Vistra Poland offers a broad range of corporate solutions for inward investors and established business operations. These include:

- Market Entry;
- Accounting and Management Reporting;
- HR & Payroll;
- Corporate Secretarial;
- Domiciliary and Fiduciary;
- Shelf Companies;
- Company Incorporation;
- Liquidations;
- Fund Administration.
